

MIAMI BEACH, FL 2021

ICES Miami Beach 2021 was a HUGE hit! It felt so good to be in our hometown, Miami, FL, giving back to the community we know so well and love. As a center for beauty, Miami is one of the best cities to host our trade shows, and a convenient and appealing destination for the South American market.

Flying from all over the world, our exhibitors and attendees brought an enthusiasm that was contagious! Our Conferences and Workshops were incredible, helping the newest students and seasoned professionals keep their fingers on the pulse of the latest trends, technologies, and techniques.

Not to mention, amazing products and cutting-edge technology to put these new skills to the test.

Didn't get the chance to make it this year? Here's what you have to look forward to next year!

Here's what all of our exhibitors and attendees had to say about their ICES Miami Beach 21 experience!

I loved the show, so many vendors. I came home with everything I need to start my business in Midtown. - *Rosiana Fialho Chavez*

I was so happy to see LNE show back in Miami, FL. It allowed us to reconnect with vendors and catch up with our beauty industry friends. I genuinely enjoyed the show. - *Nancy De Carlo*

ICES Miami was tremendous, SO much better than I anticipated! We weren't sure what to expect with it being the first one with ICES, but it was amazing! The vibe was awesome, and the ICES team was super helpful. We were busy and gained several new customers. I can't wait for The Dallas Show! - *Iris Botero CEO and Founder of PureSculpt Beauty*
